Greetings from DBHSS Baghchung, Jorhat!

Dear Parents and Students, hope you are fine and healthy by the grace of God. This notice is regarding the School Tuition Fee Payment for the Academic Year 2021-22. Last year you have been using Neverskip Parent App for the payment of tuition fee. This year we are changing over to FEDERAL BANK TUITION FEE PORTAL for the payment of the school tuition fee. This is to help you save some amount which is deducted on every transaction when done through Neverskip App. If you have account in Federal Bank no transaction fee will be deducted from your account. Even if you do not have any account in Federal Bank, the transaction fee will be still less than what you were charged last year while paying through Neverskip. The School Tuition Fee is the same as last year. There will be **four installments of three months each**. Each installment will be of ₹ 2600/- for classes KG to 10. For Class Nursery each installment will be of ₹ 3000/- The procedure for ONLINE payment is attached below. There is a **You Tube video** which explains the procedure of the Online fee payment. The link of the video is also provided in the list. There is option for Cash payment also, like last year. But because of Covid pandemic Cash Payment option is not available now in the School Fee Counter. Today onwards you can pay through online mode. After the payment you are able to see your payment history and also **can download your payment receipt in pdf format and print out** if you need to. You are humbly requested to **clear the First Installment (April, May and June) at the earliest** as the time has already elapsed. You can also pay for the whole year at a stretch if you wish to. We are not charging any late fee this year too as we have done last year. Thank you for your co-operation. You can go to our school website: www.dbsjorhat.org and pay the school fees directly from the website. You can also pay online from the link <https://careerbook.federalbank.co.in/>

Yours sincerely,
